A MESSAGE FROM THE SUPERVISOR

TOMIKA DORSEY

"Sweet April showers do spring May flowers!"

Wonderful parents, one of the highlights of our center is our FunShine curriculum, available in all our classrooms and aligned with Maryland Excels. Our goal is for your child to achieve academic excellence and successfully transition to kindergarten, upon graduation. We do this through circle time which gives your child the opportunity to socialize with friends and be in place when the educational lesson begins. Time is of the essence when it comes to your child's education. Every morning your child gets here before 9AM, they get to enjoy a breakfast snack with their friends which allows for a smooth transition in one of the key academic portions of the day, circle time. We **#simplylove** our children and want to make sure that they are able to benefit from every resource we have to offer, stay on track developmentally, and continue to advance with their peers.

Customer Review

Piya Sawhney

Little eggs is a fantastic center! My son has been with Little Eggs since he was 9 months old and has done extremely well. We toured several different centers and Little Eggs had the warmest staff and most inviting atmosphere. We even stay in touch his very first Teacher Miss Tashana! Currently, he is in room 8 with Miss Sherri, Miss Shararah, Miss Andrea, and Miss Edyn and they are amazing with him! I can tell how much they care about him, and they send me pictures and notes during the day to see how he is doing. My son is 4 now and doing really well with writing, counting, etc. His teachers send his school work home so I can see how he is doing and they have a good focus on both education and play which I love.
