## LITTLE EGGS CHILDCARE NEWS

### JUNE 2023

**A Message from our CEO**

**Mr. Jeremy Allen, Sr.**

#SimplyLove

#### "From one father to another"

He went in for a straightforward gallbladder surgery removal, and when he awoke, he was paralyzed from the neck down. He spent the next year in a wheelchair before he died peacefully in his home. During his final year he never let his health status affect his day to day. He continued to go, do, and make an impression on other's lives. That man, Mr. Joseph Allen was my father. As an only child, it delivered a major blow to me. **It was Father's Day weekend 2017, and still today it hurts.** Fathers are significant but also essential in the lives of our children. I wish you a very special Happy Father's Day and please know your value to your children will never end. #SimplyLove came from my dad. He taught me love in all I do, even when they don't love you back. Simply love them. – *Jeremy Allen /CEO*

### "MARVELOUS MEADOWS"

A meadow is a habitat filled with hidden wonders. Frogs, snakes, and butterflies are just a few of the creatures covered in this theme. Ponds and streams are important topics too. Set up outdoor learning stations for added fun!

### "TO MARKET, TO MARKET"

Gather the children for a trip to the farmers market or local store, where they will learn about the all kinds of interesting things to buy! The children will pretend to choose products to purchase, pay for them, and learn appropriate manners in the checkout lane. This theme emphasizes the role farms play in the production of many of the things we enjoy.

## "Circle Time is Learning Time"

*[Follow the link to our Circle Time video!](#)*

The learning begins at 9:30 AM each Morning!

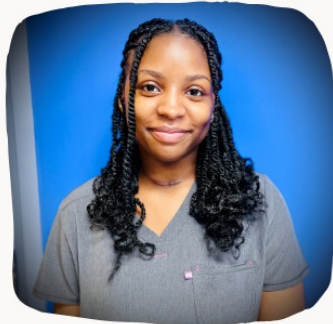

It's important that your child is in class for circle time so that they don't miss the opportunity to learn from the themes each month designed to have them ready to perform at an optimal level in school!

## Customer Review

**Ted S.**

*This is one of the best day care options a family could have for their child. The staff is amazing and truly care about our children. The staff is communicative and are consistent in routine, which is so important to help carry over at home.*
