A MESSAGE FROM THE SUPERVISOR

March Moments!

This month is about more than just "lucky charms" it's about our Little Eggs and their future. Many of our students will be graduating Pre-K this year and moving on to Kindergarten. Our goal here at Little Eggs Child Care is to provide educational components that equip our children with what they need to be successful when they leave us. As a supervisor, I am constantly working with our teachers and aids on creative ways to use the FunShine Curriculum during Circle Time. We want you to be confident that every day you bring your little one to Little Eggs, they will LEARN! #simplylove!

"SILLY FUN"

It's time for children to let their imaginations run wild! During this theme, they will have silly fun by making up nonsense words, telling jokes, and thinking outside of the box in all activities!

"WONDROUS WEATHER"

Spring is in the air! The children will explore the sometimes unpredictable weather patterns of spring, including wind, rainstorms, and rainbows. Grab your coats and join us outside for activities that are forecasted to be some of the children's favorites!

"Circle Time is Learning Time"
